white decò

Forme morbide e tondeggianti, sospese fra memoria e contemporaneità, in un ambiente che profuma di silenzio e quiete. Ogni elemento esprime un equilibrio sofisticato ed esclusivo, un dialogo che non ha bisogno di parole per risuonare nello spazio.

Soft, rounded forms, suspended between memory and contemporaneity, in an environment that smells of silence and stillness. Each element expresses a sophisticated and exclusive balance, a dialogue that needs no words to resonate in space.

Des formes douces et arrondies, suspendues entre mémoire et contemporanéité, dans un espace empreint de silence et de quiétude. Chaque élément incarne un équilibre sophistiqué et exclusif, un dialogue qui résonne dans l'espace sans besoin de mots.

I bordi arrotondati definiscono l'identità di Almond, un trait d'union che caratterizza tutti i suoi elementi, in un gioco di armonie e contrasti: dal bianco puro del lavabo, al volume chiaro e arrotondato del mobile, al nero deciso della gola e della mensola.

The rounded edges define the identity of Almond, a link that characterises all its elements, in a play of harmonies and contrasts: from the pure white of the washbasin, to the clear, rounded volume of the cabinet, to the decisive black of the throat and shelf.

Les cotés arrondies expriment l'identité d'Almond, un fil rouge parmi tous ses éléments, dans un jeu d'harmonies et de contrastes : du blanc pur du lavabo, au volume clair et arrondi du meuble, jusqu'au noir marqué de la gorge et de l'étagère.
